Dear Fellow BTA Member,

The BTA wishes all members for a relaxing holiday season, and a new year that brings joy and good health!

In an effort to bring a small dose of happiness to our members, we have distributed gift cards at our Special Services and Career and Technical Education sites. We will follow up with our Adult Learning Community members in the new year.

Rosalie Consanie, Julie Crosier, Theresa Saive, and Mairead Schuelein are the members who worked very hard to put all the pieces together to transform a suggestion into a success on short notice. If you see any of these outstanding members, please consider saying "thank you."

Rest up! We have a long and winding road ahead of us in 2022!

Sincerely,

Eileen
